**COOLANT SYSTEM SERVICE**

**\$159.95**

A/C service from BG removes bacteria, viruses and mold from your A/C system, providing you and your passengers with clean air, free from contaminants and stinky smells. The BG Climate Control Service removes any mold, fungi, viruses, bacteria, and other debris from your filter, while also disinfecting the air vents. This offer also includes a high performance oil to enhance cooling and prolong your compressor's life.
